Facility letter (amended and restated following annual review)

Dear Directors,

Following our annual review of your borrowing, we are pleased to confirm the facilities below. This letter replaces the terms of our letter dated 14 May 2024 with effect from 1 December 2026. Unless stated, all other terms remain as before. Borrower: Fenland Ridge Farm Ltd (company no. SYN04815).

1. Facility A: Term loan

Amount outstanding at 30 September 2026	**£840,000**
Purpose	Refinancing of the 2019 purchase of land at Ridge Farm
Interest rate	Variable: Bank of England Bank Rate plus a margin of **3.35% per annum**, from 1 December 2026. Interest is calculated daily on the balance and charged monthly in arrears.
Illustration	At a Bank Rate of 3.75% the rate payable would be 7.10% a year. The rate moves on the day Bank Rate changes.
Repayment	Quarterly capital instalments of **£15,000** (£60,000 a year) on 31 March, 30 June, 30 September and 31 December, first on 31 December 2026, plus interest. Final repayment date 30 September 2040.
Margin and terms review	**14 May 2027**. The margin may be renegotiated at that date.
Arrangement fee	£2,100 (0.25% of the outstanding balance), payable on acceptance

2. Facility B: Overdraft

Limit	**£150,000**, repayable on demand
Interest rate	Bank Rate plus 3.75% per annum on the cleared debit balance
Review date	14 May 2027

3. Security

First legal charge over the freehold land and buildings at Ridge Farm (approximately 390 hectares) and a debenture over the assets of the company, both already held.

4. Financial covenants

Debt service cover. For each financial year ending 30 September, the ratio of EBITDA to debt service must be **not less than 1.25 times**. Debt service means interest paid plus scheduled capital repayments on all borrowing, including hire purchase. Tested annually on the company's accounts, to be delivered to us within 180 days of the year end.

SYNTHETIC

Loan to value. Total borrowing from us must not exceed 55% of the market value of the charged land, as shown in our most recent valuation.

A breach of either covenant is an event of default. We would first discuss the position with you, but we may then require repayment or change the terms.

5. Acceptance

Please sign and return the enclosed copy within 30 days. We recommend that you take independent advice on these terms.

Yours faithfully,

Relationship Manager, Agricultural Lending
